Summer Greetings Compatriots,

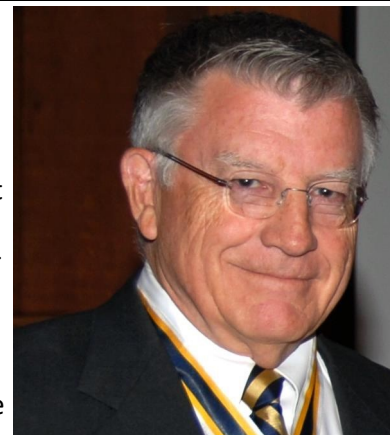

A lot has happened following our last general monthly meeting in May. We held our first of two Summer All-Hands meetings on June 2<sup>nd</sup> to review our financials, discuss the level of our Chapter annual dues, and to brief everyone present on the details of our planned Constitution Day Fundraiser scheduled for Monday, September 17<sup>th</sup> from 5:30-8:30 pm at the Howe Community Center.

The Sacramento Chapter has for years been blessed by an employee benefit program offered by Intel Corporation to its employees worldwide to contribute \$10 for every hour employees give to a 501 (c) (3) nonprofit organization. Since 2008, this has generated more than \$50,000 to the Sacramento Chapter. I retired from Intel in 2016 and in 2017, we received a check from the Intel Foundation for \$5,500 in May for my 2016 hours. Intel then transferred its handling of the program to an agent, Benevity. This year we have not received a check and it is Intel policy that grants are not guaranteed. These grants have enabled us to reduce Chapter Dues from \$15/year to \$10/year while at the same time growing our programs, making the Sacramento Chapter one of the financially strongest the California. However, we need to look to the future and put the Chapter on financially solid footing regardless of the Intel grants. Currently, our annual budget, excluding Intel monies, has a shortfall of \$4,500 annually. Your officers have discussed the budget at length and have proposed a \$5 increase raising our Chapter dues to \$15 from the current \$10 level. This means that members who pay dues annually for Chapter, State, and National will see dues increase from \$65 in 2018 to \$70 beginning with 2019. This will be voted on at our Saturday, August+ 4, All-Hands special meeting at Cattlemens.

One solution to benefit our long term financials is to do fundraising. Except for annual dues, and voluntary donations, this chapter has not held an annual fundraiser since 2009 at the Dante Club. This year, Compatriots Joe and John Mohamed have teamed up with us to hold a Constitution Day Celebration to raise funds for the Chapter on Monday, September 17, 2019, at the Howe Community Center, 2201 Cottage Way, Sacramento. The event will run from 5:30 – 8:30 pm, will have a 4-course pizza extravaganza, and feature U.S. District Court Judge Morrison C. England Jr., as the keynote speaker. John Mohamed has covered the cost of the venue and Joe has offered to pick up the cost of the dinner. We have a number of tasks the Chapter is responsible for and we are counting on you to help us make this event successful.

Thank you,

Don Littlefield

President, Sacramento Chapter  
Sons of the American Revolution**Don Littlefield**

## Minutes from May 2018 Meeting

### Minutes Sacramento Chapter Meeting, May 18, 2018

Sacramento President Don Littlefield called the meeting to order at 7:00 pm. Jeff Doyle led the Pledge of Allegiance, Derek Brown led the pledge to the SAR and Jeff Goodwin gave the invocation. President Littlefield then gave a brief history of the SAR for new attendees and guests. He next introduced the National and State Officers and Sacramento Past Presidents who were present. They included California State President Derek Brown and his wife Janet, who is a member of the California SAR Ladies Auxiliary; Past Presidents of the Sacramento Chapter Tom Chilton, Jim Faulkinbury who is also Past President of the California SAR, Craig Anderson, Matthew Bowdish who is the California SAR State Surgeon, and Jeff Doyle, Past President of the Mother Lode Chapter who is also Chairman of the Americanism Poster Contest. Also recognized were the other key members of the Chapter who help carry out its mission: Carl Ahlberg (Program Chair), Michael Brady (Secretary), Joe Moorhead (Newsletter editor), Roy Adkins (JROTC), Don Spradling (Photographer), and Phil Noble (Calling Committee & Cashier). David Allmuth with his wife Joy who we haven't seen for a while and recent new members Stan Bransgrove with his wife Deusa, and Chris Neeley were welcomed as were the DAR ladies including Marilyn Chilton of the Sacramento Chapter, Karen Faulkinbury of the Gold Trail Chapter, and Janet Brown of the Jose Maria Amador Chapter. Michael Hull described the flags brought to this meeting; the Betsy Ross flag and 1<sup>st</sup> Rhode Island Regiment flag.

**Michael Brady**  
**Chapter Secretary**

CASSAR President Derek Brown was asked to give any remarks and he first presented President Littlefield with the Patriot Medal, the highest medal that can be awarded by a State Society. Don had an emergency and had to leave the April Annual Meeting of the CASSAR before the awards banquet and was unaware that he had received this special recognition at the installation banquet. CASSAR President Brown then mentioned the CASSAR Fall Board of Managers meeting to be held in Folsom November 8-10, 2018 and the National Society Congress to be held in Houston, Texas on July 13-18. He also explained that we still need a State ROTC/JROTC Chairman, and also that since the California Society had failed to meet the criteria for the Furlong Award based on presentation of Flag Certificates by at least 50% of the Chapters, he requested that our Chapter try to make a Flag Certificate presentation during the current year.

President Littlefield then made the follow announcements regarding the Sacramento Chapter:

We need 2 members to join our calling committee. Contact Phil Noble.

We still need a member to become our Guardian of the Flag. US Flag and SAR Flag.

Memorial Day is rapidly approaching, and we will be participating at the Sylvan Cemetery once again

For recommendations for next year's officers we will create a Nominating Committee made up of current & past Presidents.

First job we need to fill will be Chapter Registrar in July should Registrar, Jim Faulkinbury, be elected as NSSAR Genealogist General and focus his attention on that task.

On Saturday, June 2<sup>nd</sup> we will have an "All Hands Meeting" right here at Cattlemens to discuss goals, budgets, and dues.

On Saturday, August 18<sup>th</sup> we will have another "All Hands Meeting" at Cattlemens so prepare for the 2019 dues cycle.

On Monday, Sept 17<sup>th</sup> we are committed to, and actively planning, a Constitution Day Fundraiser to benefit our Youth Programs. It will be held at the Howe Community Center, 2201 Cottage Way, Sacramento, from 5:30 to 8:30 p.m.

[Continued on following page]

## March Minutes Continued

(continued from previous page)

The raffle was then conducted. Those providing raffle prizes were: Carl & Inga Ahlberg, Craig & Sandy Anderson, Tom & Marilyn Chilton, Jim & Karen Faulkinbury, Ron & Luann Hollis, Gerry and Charlotte Miller, Phil & Kathy Noble, and Don & Donna Spradling. Following the raffle, dinner was served.

Following dinner, President Littlefield called the meeting back to order and introduced our speaker and Sacramento Chapter Dual Member from the Battle Born Patriots Chapter in Nevada, Gerald Miller. Gerry gave a presentation on President General, Mike Tomme's SAR trip last May, "The Road to Saratoga", to follow the route taken by British General Burgoyne from Quebec Canada down the St. Lawrence River to Albany, NY to separate the northern colonies from those in the south and quickly end the Revolution. At Saratoga, New York Burgoyne was unable to obtain expected supplies and reinforcements from General Howe, who had decided to move south instead of going north to meet Burgoyne and thus Burgoyne was defeated. This was the first battle in British history where a commanding general had to surrender his troops. The program included many interesting photographs taken along the route from Quebec to Toronto, to Fort Ticonderoga and finally the Saratoga battlefield and nearby Albany.

Following the presentation, Compatriot Miller was given a Certificate of Appreciation and Liberty Bell. President Littlefield then thanked Phil Noble for being the Cashier, and conducting the raffle, Don Spradling for taking pictures and maintaining the flags, and Kathy Noble, for all their efforts and hospitality. Stan Bransgrove let us in the Recessional and President Littlefield gave the benediction and adjourned the meeting.

Respectfully submitted

Jim Faulkinbury, Acting Secretary

## May Program

**The speaker for the evening, Gerald Miller and his wife, Charlotte**

**Gerald Miller receives a Certificate of Appreciation and Liberty Bell after giving an entertaining presentation of "The Road to Saratoga," the SAR tour that followed the route from Quebec to Albany, taken by British General Burgoyne on his way to the Battle of Saratoga in 1777.**

## Report from the 128<sup>th</sup> National Congress in Houston, Texas

This year's National Congress was held at the Westin Memorial City Hotel in Memorial City, just outside downtown Houston Texas, starting on July 14<sup>th</sup> and ending on July 19<sup>th</sup>. Two hundred and seventy-one delegates attended, many with their spouses and other guests. Like all other Congresses, the first day, a Saturday, starts with a tour. This year, there were two tours to choose from, a difficult choice since one was the George H.W. Bush Presidential Library and the other was the Johnson Space Center. We decided on the Johnson Space Center since I already had some connection to the space program from my military service as the Electronics Officer at a space-tracking facility in eastern Turkey where we participated in the tracking of Apollo 14. After returning from our tours, the delegates and guests went to the Texas Society SAR "Host Society Reception" and Texas BBQ held at George Ranch Texas which was founded in 1824 on a 68,000 acre parcel near Houston. The reception was held in the covered open-air arena used for rodeos and cattle auctions.

Sunday was the annual Memorial Service, this year held in the Memorial Drive Presbyterian Church. The service memorialized the members of the National Society who had passed during the previous year. The ladies attended a First Ladies Tea following the church service while the men returned to the hotel where a Genealogy Seminar was presented by Compatriot David Lambert, the Chief Genealogist for the New England Historic Genealogical Society. That evening we listened to the finalists for the Rumbaugh Orations Contest; an amazing group of High School orators.

On Monday, the opening session of Congress officially began going over the Officer, Committee, and State Society reports. The National Society's Youth Award Luncheon was our next event. \$47,000 in prizes were awarded to the National winners of the Eagle Scout, Rumbaugh Orations, Knight Essay, JROTC, and the Americanism Brochure & Poster Contests. The winner of the Tom & Betty Lawrence Teacher program was announced and it was also announced that next year, there would be three teachers selected annually to go to the program with up to \$5,000 each for tuition, travel, and expenses. Following the afternoon session of Congress where we began discussing Constitution and Bylaw changes, we recessed for dinner on our own followed by the Awards and Recognition Ceremony where the six members of the Class of 2018 were awarded the Minuteman Medal, the SAR's highest recognition for service to the National Society.

Tuesday began with District breakfasts. As candidate for the office of Genealogist General, I had to go to each District breakfast and give a brief statement of candidacy and open for any questions. Following the breakfast, the 3<sup>rd</sup> Session of Congress was held to finish the debate on Constitution and Bylaw changes. A change to the SAR National Constitution, proposed by the Virginia Society to allow descent through adoption parents, was defeated. A Bylaw change to remove past PGs, General Officers, VPGs, and members of the Executive Committee from being Trustees also failed. No changes were made to the annual National dues for 2019. A change in the fees for Memorial Member was made so the fees are the same as for a Regular Member, eliminating the provision for a fee equal to 10 times the annual National Society dues amount in addition to the filing fee. This change could have an adverse impact of staff review time if the number of Memorial memberships submitted is large due to the reduced cost. Several Bylaw changes fixing language were also approved. Following the discussion of Bylaws, the Nominating Committee made its recommendation for the slate of 2018-2019 General Officers. PG Guzy attempted to run from the floor for a 2<sup>nd</sup> term but his nomination from the floor was ruled to be in violation of the rules of Congress and his name was not put on the ballot. There was another nomination from the floor for one of the members of the SAR Foundation Board and his name was entered on the ballot as were two contended races for District Vice President Generals. The unopposed candidates for General Office were approved by acclamation and a vote for the contended races was held by secret ballot resulting in the election of the original slate of officers. The new General Officers elected are: President General – Warren M. Alter (AZ), Secretary General – John T. Manning (NH), Treasurer General – Davis L. Wright (DE), Chancellor General – Richard T. Bryant (MO), Genealogist General – Jim L.W. Faulkinbury (CA), Registrar General – C. Bruce Pickett (AL), Historian General – John O. Thornhill (NC), Librarian General – Douglas T. Collins (KY), Surgeon General – Dr. Darryl Addington (TN), Chaplain General – Dr. John C. Wakefield (TN). The Ladies Luncheon was held while the delegates had lunch on their own. In the evening, the President General's Banquet was held and the keynote speaker was Michael Surbaugh, CEO of the Boy Scouts of America.

(Continued on following page)

## 128th National Congress Report (continued)

On Wednesday, the final Session of Congress was held and the District VPGs were elected and the Trustees were sworn in. The second tour was held with options to go to the San Jacinto Battlefield or a tour of some of the museums on Museum Row in Houston. We chose the museums and went first to the Clayton Genealogical Library where I found a photo of the old small 12 bed hospital where I was born in Kermit Texas in 1945, delivered by a midwife who performed a C-section – a bit of a shock to see the conditions surrounding my birth. We then went to the Houston Museum of Natural Science and one of the best exhibits of paleontology in the country. That evening, the Inaugural Banquet was held where the General Officers and VPGs were sworn in followed by the “ring ceremony” where George Washington’s seal ring was transferred from the immediate past PG to the incoming PG. Thus ended the 128<sup>th</sup> Annual Congress of the National Society SAR.
