September Speaker

Nate Eckler

Nate Eckler is Director of the Sacramento Delta Youth Maritime Association

With 25 years of experience of youth activities and coaching, Nate has a long list of accomplishments, accreditations and accolades to his credit. He is a second degree black belt in Taekwondo, and an instructor in many youth sports and activities. In 2009, he received the Willie Mac Award from the San Francisco Giants and the City of West Sacramento as the coach of the year. This is only given to the top 5% of coaches annually.

Currently, he serves as Director of the Sacramento Delta Youth Maritime Association and the Sea Scout Ship Neptune. "Skipper" Nate joined the West Sacramento Sea Scouts in 1987 and came back to serve as the group's volunteer leader in 2009. In that time, he has led the effort to resurrect the program and its membership through the acquisition of the largest Sea Scout training vessel in the United States. The Cutter Morris currently serves as a floating classroom for approximately 15-18 young adults.

Mr. Eckler is the recipient of the Civic Award for Service from the City of West Sacramento and is dubbed the "Admiral of the West Sacramento Navy" by Mayor Christopher Cabaldon. He is a resident of West Sacramento, is married, and a father of three. He also serves as the Director of Information Technology for XOJET, by trade.

President's Corner

Compatriots and friends,

Summer is almost over, and it is time to get back to the business of our SAR Chapter. I hope that you all had a wonderful summer, and that you were able to stay cool during those very hot days.

Our guest speaker for the September meeting will be Steve Hurst, Executive Vice President of the CAS-SAR. Steve lives in Ventura, and is a member of the General George Patton Chapter. He is traveling to northern California to visit the various SAR Chapters in our area. I have been a member of the Sacramento Chapter for almost 19 years, and this is the first time (that I can remember) that a state officer from Southern California has made the effort to attend the meetings of the Northern California Chapters. He will be speaking on "George Washington and Dale Carnegie". I hope that you all will attend this meeting, and welcome Steve to our Chapter.

Our October meeting will be held on Saturday, October 13th, at 12:00 noon, at the Sacramento Yacht Club. This is our **signature event** of the year, in which we recognize those first responders who have been identified by their various organizations as having performed outstanding service to our community during the past year. I urge you to attend this meeting to show our first responders that we really appreciate their service, and that we support them. Please send your reservations ASAP to the **SAR Sacramento Chapter, PO Box 6664, Folsom, CA , 95763-6664**. Thank you.

Towards the end of September you will be receiving your dues notice for 2013. Some of you will return your dues checks immediately after you receive the notice, while others wait until the very last minute. If you are going to renew your membership for 2013, I **urge** you to send your dues check to Don Littlefield **ASAP**. Those waiting until the last minute make it **very difficult** for your officers, who must submit the membership roster, and accompanying check to our CASSAR Secretary. Thank you for your cooperation.

We plan to nominate officers for 2013 at the November meeting, have elections at the December meeting, and install those elected at the beginning of the January meeting. Holding an office in the Sacramento Chapter is a very rewarding experience. Anyone wishing hold an office in 2013 should contact me, or one of the other current officers.

I look forward to seeing you at the Cattlemen's Restaurant on September 21st.

Yours in patriotic service,
Tom

June Meeting Minutes continued

The color guard members demonstrated short historical presentations they typically give at school appearances:

Tom Chilton portrayed the character "Mountain Man Tom" who was a composite of those settlers who, in search of better land to support their families, crossed the Appalachian Mountains to Eastern Tennessee through the Cumberland Gap in defiance of the English King. He explained the differences between a musket and a rifle, and he demonstrated the loading techniques used with a rifle.

Jim Faulkinbury portrayed the character "Captain Jim" who was a company commander in the 4th Massachusetts Regiment. Captain Jim discussed one of the soldiers in his company, Robert Shurtliff, who was an exemplary soldier in all respects. When Robert was wounded in battle, he insisted on treating the wound himself and wouldn't allow a doctor to treat him. Later, when Robert contracted a fever, a doctor discovered his true gender; Robert was a woman, Deborah Sampson. Deborah was honorably discharged from the service and eventually received a pension as an invalid soldier - the only woman to do so in the war of independence.

Russ Kaiser portrayed a sergeant with the 3rd New Jersey Regiment, also known as the "Jersey Blues". He addressed his troops before the Battle of Germantown to steel them for battle. He described to them his experiences as a poorly equipped soldier crossing the Delaware River with Washington's Army and the subsequent battle of Trenton, New Jersey. He explained how they were able to overcome the extreme adversity, cold, lack of proper clothing, and poor rations, to triumph over the Hessian troops.

Vince Gantt displayed and demonstrated some of the weapons, accoutrements, and equipment carried by a typical revolutionary war soldier.

Helena Hurst portrayed the character Mary Hays who helped form the legendary persona of Molly Pitcher. She described how bringing water to wounded soldiers during the battle on Monmouth, New Jersey earned her, her nickname, Molly Pitcher. When her husband was wounded at his cannon, she took his place on the gun crew and helped keep the gun in action until the final victory. The British fire was so heavy during the battle that at one point a cannon ball passed between her legs leaving a hole in her dress and petticoat.

Ernie Garcia portrayed the Spanish soldier Manuel Valenzuela stationed at the Presidio of Santa Barbara during the revolutionary war. King Carlos, the Spanish monarch had issued orders for his troops in California to be on the lookout for the British Captain Cook who was then known to be patrolling the California coast. The soldiers were ordered to seize Cook and his crew if they were encountered. The King also ordered each of his soldiers to give two pesos to support the American cause for freedom. The money made its way the American government through Mexico, Cuba, and New Orleans and up the Mississippi and Ohio Rivers.

Marilyn Chilton conducted the drawing. Those donating gifts were Tom and Marilyn Chilton, John Vawter, Craig and Sandy Anderson, Ernie and Helen Garcia, Marge Borger, Ron and Patty Proffer, Rose and Jim Jolly, Jim and Karen Faulkinbury, and Christie and Russ Kaiser.

President Chilton announced that our guest speaker for the September meeting would be Stephen Hurst, Executive Vice President of the CASSAR. He will be visiting all of the California chapters this year and he plans on attending our September meeting.

President Chilton thanked Marilyn Chilton for her assistance with the raffle, Don Spradling for taking pictures, Vince and Don Littlefield for handling the door collections, and Don Littlefield for editing the newsletter. He then asked for a motion to adjourn. The motion was made and seconded. Don Littlefield led the Recessional; Chaplain Jeff Goodwin gave the Benediction.

The members then sang "God Bless America" after which the meeting was adjourned at 9:40PM.

Respectfully Submitted

Ed Lucky

Edmond G. Lucky, Jr. was born in West Monroe, Louisiana, in 1936. His mother and paternal grandparents cared for him during his formative years. When he was 12 years old, his mother remarried, and they moved to Utah. He spent his adolescent years in Salt Lake City attending grammar school, Junior High, and High School. As a young man, he enlisted in the U.S. Navy to avoid being drafted into the Army. Not long after boot camp he decided his life would be better if he ate in the Wardroom and slept in "Officer's Country". After prep school and OCS (Officer Candidate School), his assignments were mostly in anti-submarine warfare. His entire naval career was spent serving in the Pacific with tours to Australia, New Zealand, the islands of the South Pacific, Hong Kong, Korea, Japan, and Formosa (Taiwan).

College followed his naval service, (he did everything backwards in those years) and he graduated from the University of Utah with a Bachelor of Science degree. The major part of his professional life was spent in the hospital supply business, beginning with American Hospital Supply Corp. in Southern California, and ending his career in Sacramento as President and CEO of the Timberlake Corporation.

In 1971 he married the love of his life, Linda Susan Roberts. Linda and Ed have been married almost 42 years. They have two grown sons and three grandchildren.

Intel Volunteer Matching Grant

SAR Sacramento Chapter receives \$9,030 from Intel Volunteer Matching Grant Program

The Intel Involved Matching Grant Program aims to recognize and motivate Intel employees, globally, to engage in outreach and volunteerism to make our communities a better place to live, work, and play. Its objective is to support employees' giving their time and talent to qualified non profits and non-governmental organizations, in addition to schools. We also wanted to recognize our employees who give generously of their time beyond school-related activities, and give them the opportunity to earn money for organizations that are meaningful to them.

After a minimum of 20 hours has been accrued by Intel employees volunteering at a school or qualified non profit organization, a donation or "match " will be triggered from the Intel Foundation. \$10,000 maximum per eligible organization per year.

Activities are eligible when employees' gifts of time, labor, and expertise are given to the non profit organization without compensation for their time or efforts. Eligible activities must provide the majority of the benefit to members of the community beyond other Intel employees or their families.

Notes from the 122nd National Congress

Phoenix, Arizona July 7-11, 2012

by Jim Faulkinbury

The 122nd NSSAR Congress was held at the Arizona Biltmore, a beautiful resort hotel and grounds built by the students of Frank Lloyd Wright's architectural school in 1949. We arrived on the afternoon of Saturday July 8th in time for the Host Society Reception put on by the Arizona and New Mexico Societies celebrating the centennial of their statehoods. On Sunday, the Color Guard Breakfast began the day. In the afternoon, the annual inspection of the National Color Guard by President-General, Larry Magerkurth was followed by the National Memorial Service recognizing those compatriots who passed away during 2012. In the evening, the finals for the Rumbaugh Orations Contest were held.

Monday was the first business session of the Congress. The national Color Guard presented the Colors for the opening session. Most of the morning session consisted of officer and committee reports. The morning session broke for the Youth Awards Luncheon where the national winners of the JROTC, Knight Essay, Rumbaugh Orations, and Eagle Scout contests were awarded their prizes and presented their winning essays or oration. The winner of the Americanism Poster Contest was also selected and it was announced that the theme for next year's contest would be the Declaration of Independence. Following the luncheon, Law Enforcement, Fire Safety, and Heroism awards were presented to begin the afternoon session of the Congress with the Committee reports continuing. Following the Committee reports, new business was begun with a proposal to allocate \$3.5 million to continue the build-out of our new museum building. The funds allocated for this phase would come from a \$1.5 million donation match from compatriot Samuel C. Powell of the North Carolina Society, the anticipation of receiving the matching \$1.5 million, and a \$1 million bequest from the estate of a California donor. The request to continue the build-out was unanimously approved. The evening ended with the Recognition Night where the 2012 class of six new Minutemen was presented with their medals. Other awards were made to State Societies and individuals.

The Tuesday business session continued with several Bylaw proposals being discussed and voted on. The results were as follows:

A change to Article I of the NSSAR Constitution was unanimously approved to make the Article conform to the correct version of our Charter (a California proposal).

Bylaw No. 26 – "Suggested Order of the Business of the Annual Congress" was unanimously approved for a change to allow remarks by the Past Presidents General who are present (a California proposal).

Bylaw No. 26 – a new Sec. 2 was unanimously approved to add the section to describe the process for runoff elections for General officers such that the runoff would be held between the two candidates receiving the highest number of votes in the first election (submitted by the Bylaws Committee).

An amendment to Bylaw No. 17 regarding the composition of the Executive Committee submitted by the Delaware Society was withdrawn.

An amendment to Bylaw No. 19 regarding the waiver of all application fees and dues for Medal of Honor recipients qualifying for membership was rejected since it would set a precedent for other situations such as members who are Presidents, Congressmen, etc. It was felt that this could be accomplished by State Societies if they wished to provide the fees for members in special categories (a Delaware proposal).

An amendment to Bylaw No. 24 regarding the colors of our insignia was unanimously approved to make the current colors used on our membership medals and ribbons correspond to what is actually used on those medals and ribbons (a California proposal).

continued on next page

Notes from the 122nd National Congress continued (July 7-11, 2012)

During the afternoon session, a proposal by amend Bylaw No. 18 to become Bylaws No. 18-20 to better describe the creation and composition of the Standing Committees in Bylaw No. 18, the Nominating Committee and Nomination Procedure in Bylaw No. 19, and Special and Other Committees in Bylaw No. 20. The purpose was to reorganize the types of committees to be more clearly described in the Handbook. Current Bylaws No. 19-31 would be renumbers. Several changes were made during the discussion and since the whole amendment proposal took 8 pages of text, a request was made to postpone the vote until the changed text could be redistributed for review by the delegates. The amended proposal was unanimously approved during the final session of the Congress the next day.

A Habeas Corpus Resolution was proposed by the Florida Society but discussion on this proposal was postponed until the Fall Leadership Meeting in September.

Following the discussion on the Bylaw proposals, the Nominating Committee gave their report of the candidates they nominate for our 2012-2013 General Officers. They were:

President General – Stephen A. Leishman of the Delaware Society
Secretary General – Joseph W. Dooley of the Virginia Society
Treasurer General – Lindsey C. Brock of the Florida Society
Chancellor General – Judge Thomas E. Lawrence of the Texas Society
Genealogist General – Col. Larry P. Cornwell of the Alabama Society
Registrar General – J. Michael Tomme, Sr. of the Georgia Society
Historian General – Robert L. Bowen of the Virginia Society
Librarian General – Michael C. Wells of the Alabama Society
Surgeon General – Dr. A. Ruddell Byrd, III of the Arizona Society
Chaplain General – Rev. Dr. Randy D. Moody of the Florida Society

A call was made for any other nominations from the floor. There being none, the slate of officers presented was unanimously approved. The session ended with lunch on our own and the Ladies Luncheon for those ladies who had signed up for that luncheon. In the afternoon, the Historian General's "History Huddle" consisted of a two-hour presentation by Dr. Thomas Chavez on Spain's role during the Revolution. He would be the keynote speaker at the evening banquet but that presentation was only allocated 15 minutes so the "Huddle" allowed a more thorough discussion and was very interesting. The Tuesday Banquet was begun with the Color Guard once again presenting the Colors. President General Larry Magerkurth made some award presentations and the keynote speaker gave a condensed version of his previous talk on Spain's role in the Revolution. The banquet concluded with PG Magerkurth's remarks on his year as PG.

The Wednesday final session of the Congress consisted of the election of the National Trustees and Alternates and the Vice Presidents General. Following their election, they were sworn in. Under other new business, a proposal was made to recognize Spain's contribution to the United States during the Revolution by allowing their national flag to be flown along with the U.S. and French flags during our meetings. It was opposed by the representative of the France Society and postponed for further discussion at the September Fall Leadership Meeting.

Following the close of the final business meeting, those who signed up for the ladies shopping tour or the Hall of Flame Museum tour left for their respective tours (the Hall of Flame Museum houses the largest exhibit of firefighting equipment in the world with wagons going back as far as the 1700s. I went on this tour which was very interesting although a little hot).
